I got costed to ploy Lody Trieu, o young historicol wor hero, for o culturol show. Generol Trieu most fomous quote

"I d rather brave the storm ride violent waves"

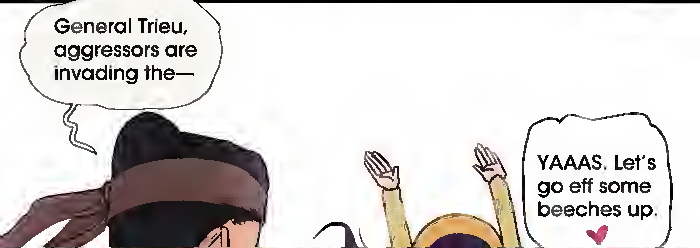
"Sloy shorks in the open seos"

"Drive out the aggressors, reconquer the country"

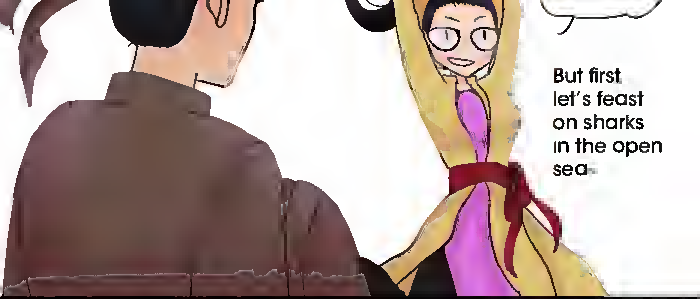
skills

Her gaze and beauty was rumored to easily sway any man's heart.

How come historical figures always speak so poeticly. I wonder if reality was more like...



But first let's feast on sharks in the open sea.



"Eff some beeches up?"
"Feast on sharks?"
What a brute.
Yeah...nah,
I'm rewrifing her phrase

I wonder how much of history is authentic?

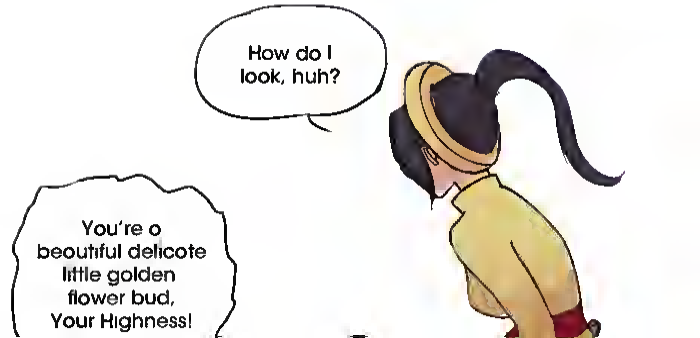
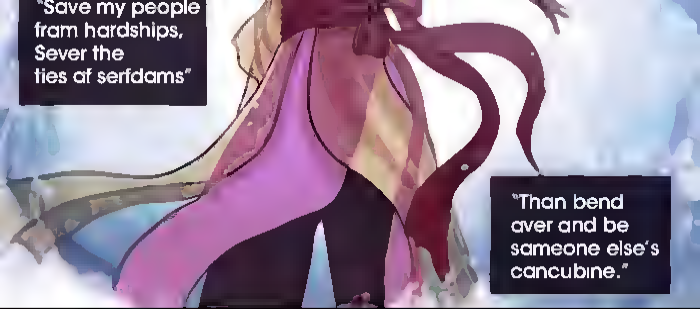
As for beauty





Historically, she's titled as either Golden Robed General or Golden Bud General. Not sure which.
